PROPERTY SUMMARY

Enjoy all the luxuries of rural living while being only minutes from downtown Boulder and I-25! The McDonald Farm in Longmont, Colorado is beautifully landscaped with a plethora of mature trees and an enchanting, one of a kind setting . Pass through the steel privacy gate into a Red Purple Ash tree lined driveway before entering the ± 50-acre property.

The main house was completely remodeled in 2001; including updated electrical and plumbing, new windows and doors, continuous hot water heater and central A/C. Another building has been plumbed for a bathroom which could be a possible second residence.

Included in the sale are 33 shares of Boulder-Whiterock irrigation water and irrigation sprinkler system that covers all 50 acres of pasture grass. Additional inclusions are three stock tanks, squeeze chute, cattle chute, powder river pens, 6-stall horse barn, diesel generator and a large barn with upscale finishes and kitchen for entertaining large groups.
