Creating Connections Through Integration

OUR CONNECTION

1 We are the "Middle Piece"

NotaryLoop gives a direct "system to system" connection, allowing both Title Agencies and Signing Services to benefit without the need for additional software.

2 What Does it Cost?

NotaryLoop is 100% FREE for Title Companies to place orders with their preferred notary service.

3 Creates Efficiency

Seamlessly and securely send orders, pass information, and receive status updates without leaving your software.

4 Adds Security

Encryption ensures your transactions are safe and secure from internet threats. Industry regulators are encouraging to partner with integrated vendors.

GET IN THE LOOP

NotaryLoop is a 100% FREE integration service that allows Title Agents to connect to their preferred notary vendor.

Signing Services connected to NotaryLoop are immediately placed into our network, allowing Title Agents to place mobile notary orders directly from their production software without rekeying information.

Contact us today to start sending or receiving orders with the NotaryLoop gateway!
