No purported waiver or other modification of these Terms will be effective unless, and only to the extent, specified by an express waiver or modification signed by an executive officer of ATS. All other proposed modifications or waivers (whether whole or partial) of these Terms are hereby objected to and rejected in all respects. These Terms: (i) constitute the entire agreement and understanding between the parties regarding the terms of each Product sale or sale of Services, and supersede all prior and contemporaneous representations, promises, statements, agreements and understandings, written or oral, regarding the subject matter hereof; and (ii) may only be modified and/or waived by a written agreement executed by both parties. Notwithstanding the foregoing, these Terms may be modified by ATS from time to time and in its discretion, by delivery of replacement Terms to Customer, and by posting such then-current Terms at <https://atstargets.com/knowledge-base/terms-and-conditions-of-purchase/>.

Notwithstanding the above, in the event of a conflict in the Terms and the terms of a ATS Quotation or in an Order Confirmation or Acknowledgement, the terms in the ATS Quotation or Order Confirmation or Order Acknowledgement shall take precedence and supersede those

conflicting terms in the Terms, solely with respect to the subject matter of the terms of the Quotation or Order Confirmation or Order Acknowledgement.
