June 10th 2024 - August 16th 2024

12:00 – 5:00 pm Monday – Friday

12:00 – 4:00 Saturday

CLOSED

Sundays & July 4th

Gridley Public Pool swim lessons are run through the summer months between June, July and part of August. Ms. Daneen is the supervisor of the Gridley pool, with over 14 years of lifeguard and swim lesson experience.

Avery Weagant is the Head Lifeguard as of 2024

Registration is open May 1st 2024

Gridley Pool Swim Lessons are taught through a guided discovery method. Guided Discovery is a teaching and learning environment where students are actively participating in discovering knowledge. Safety and Water skills are taught to children through games and repetition. All children learn and grow at their own pace. We teach students at their natural level and build them up.

Polliwogs – Beginner Level 1 – (3 – 4 years of age)

This level of swim lessons is for children who are **ready for independent lessons** with little parent involvement. Children at this level can be nervous or uncomfortable with the water but over time will become adjusted. The goal of this level is to increase comfort and water awareness.

Swimmers at this level will learn the following; **put their face under water, float on their front/back assisted and unassisted, jump into the water and swim 3ft or more assisted or unassisted and basic safety skills.**

(Please register your child based off age, not skill)

Guppies – Beginner Level 2 – (5 - 7 years of age)

This level of swim lessons is for children who have moderate experience in and around the water. This level will focus on movement through the water while gaining confidence and safety skills.

Swimmers at this level will learn the following; **swim under water, float on their front/back assisted or unassisted, jump into the water and swim 5ft or more assisted or unassisted and safety skills.**

(Please register your child based off age, not skill)

Sharks – Intermediate / Skilled Level 3 – (8 - 10 years of age)

This level of swim lessons are for children who have intermediate experience in and around the water. Swimmers in this level will be expected to swim longer distances above and below the surface of the water. This level focuses on stamina and strength in the water.

Swimmers at this level will learn the following; **swim under water, float on their front/back unassisted, jump into the water and swim 7ft or more unassisted and with advanced safety skills.**

(Please register your child based off age, not skill)

Advanced Sharks – Strokes Level - *WE ARE SORRY TO INFORM YOU WE ARE NO LONGER OFFERING ADVANCED SHARKS LEVEL.*
