Official Contestant Handbook

2024 Miss Butte County Application Handbook

The Miss Butte County Scholarship Program (MBCSP) is a community service based organization that fosters invaluable personal and professional skills in its participants. While empowering the youth of Butte County, the program also teaches how to give selflessly to the community.

Our contestants participate in multiple training seminars, referred to as Competition Camps. These Competition Camps teach public speaking, speech making, resume building, interview skills, the ability to formulate their thoughts quickly and efficiently on the spot, leadership, poise, communication, sportsmanship, and confidence. Not only will these skills prepare them for the rigorous competition, but also for many facets of their future endeavors. Cinderella's Glass Shoe Children's Charity

06/22/2024

Cinderella Charming

Summary

What random act of kindness changed your life? For me, my life was changed the day a stranger gave me a special pair of shoes to attend the ball. Cinderella's Glass Shoe Children's Charity is designed to provide clothing and shoes to foster children in Butte County.

Plan

I am planning to speak with various businesses around Butte County where I hope to set up donation boxes where store patrons can purchase and donate clothing and shoes. Once a month, I plan on visiting these businesses to collect donations. These items will be delivered to Miss Pumpkin's Foster Agency to be distributed to youth in Butte County.

Spread My Message

The "Social Mice" app will play a vital role in spreading my message. Posts will be made weekly on various pages including "The Royal Ball Boutique", "Here in Far, Far, Away", and "What's Happening at the King's Palace". White Horse News will allow me to do two live interviews a year to increase publicity.

Why

My stepmother and stepsisters only ever gave me a cold attic to sleep in and the cinder from the fire that I regularly tended stained all my clothes. The only special item I ever owned was my mother's old dress, but even that was ruined by my stepfamily. One day, my fairy godmother arrived out of the blue and presented me with a pair of glass slippers. Those glass slippers and my fairy godmother's kindness gave me the opportunity to meet my prince Charming which forever changed the trajectory of my life. It is amazing what a single act of kindness, like the giving of a pair of shoes, can change someone's life.

How I would utilize a title with Miss Butte County

With the title of Miss Butte County, I would have a larger social media platform to utilize in order to spread the word of my mission. While I am Miss Butte County.....

Speech Examples

These examples are not for you to copy and paste. They are designed to be an aid to give you direction. Your final draft speech may look similar or may be completely different. That is the great part about this area of competition! We want to hear your unique personality which will look different in every contestant.

You may focus on one extracurricular/organization that is important to you, theme your speech around a quote (remember to site your source), utilize the lyrics of your favorite song (credit the artist at some point in your speech), or find another way to have fun with it. Creativity is a large portion of your score.

Reminder: A rough draft of your speech is required to be submitted with your application, but your final draft is not due until July 13, 2024. This will provide you the opportunity to ask questions, re-read, and carefully consider the context of your speech.

Hi, my name is Gracie Lou Freebush, but I hope one day you can call me Dr.

Freebush. I turned 10 years old last month and live in the beautiful town of Butte City. This week I started my last year of elementary school as a 5th grader at Butte Elementary School. Go Hedgehogs! When I am older, I want to go to Butte County University to become a pediatrician. I love helping people and making them smile. I have several hobbies including baton lessons and even go to karate classes! One of my favorite parts about karate classes is that I can practice chopping a board in half with my bare hands! I can't wait to earn my purple belt! When I am not hanging out with my friends or playing board games with my family, I am busy being a Wilderness Explorer in Tribe 54, Sweat Lodge 12. I am currently working on gaining my public speaking badge! Oh look at that! I just completed another badge! Public Speaking, CHECK! I just need Talent and Impromptu and MAYBE then I can earn Missette Butte County- the highest honor I can bestow! Thank you"

Speech Examples

"My favorite baseball player, Babe Ruth, once said, "Never let the fear of striking out keep you from playing the game."

Hello fellow fair goers, my name is Sam Charming and I'm 15 years old. A quick fun fact about me is that I love baseball. I have been playing the sport since little league. My dad, Hal, taught me how to play. I love the thrill of scoring a homerun and creating new friendships with my teammates. Last year, I won the most homeruns in a season and MVP. It was even my first year playing for a team in Butte County. I grew up in Southern California until my family and I moved to Butte City two years ago. I just started my sophomore year at Butte High School and I am counting down the days until baseball season begins. In the meantime, I volunteer at my dad's diner by washing dishes and busing tables. My Dad's Diner is one of my favorite places. It is always filled with smiling faces and of course really great food. I hope I can attend Princeton one day to major in Business so I can take over our family diner! My sponsors tonight are Flower Pot Flowers and Gifts, Feather River Four Wheel Drive and Auto Service, T's Creations, and Hal's Diner. Remember, I am Sam Charming and I hope you enjoy the rest of your time at the Butte County Fair.

Thank you."

"Crowns are not made out of just rhinestones, they are made out of discipline, determination, and a little thing called courage". This quote by Tessa Ridley is the motto for my platform, Crowns for Orphans. Good evening, my name is Amelia Thermopolis and I am 19 years old. This nonprofit pampers orphans, of all ages, to be royalty for an entire day. These exceptional individuals deserve an opportunity to feel important, wanted, and empowered while facing the unthinkable. While I am entering my 3rd year at Genovia State University, I can't wait to graduate with my bachelor's of arts in political science to continue my passion for helping my community by serving as a Butte County Ambassador. Through this position, I intend on establishing policies and legislations regarding gender equality in any workplace.

In the meantime, I am an avid rock climber, dart throwing painter, and world traveler. My favorite place to travel thus far is to Genovia's Winter Castle in the Mountains of Libbet where, during a Genovian parliament session, I found my love for debating policies, public speaking, and serving others. I will leave you with a quote by Ghandhi , "The best way to find yourself is to lose yourself in the service of others." Thank you.
