

OUR MISSION:

Empower the community to create by “Maintaining an ongoing, collaborative workspace that fosters a positive, safe, learning and working environment for organizations and community members”

Loveland CreatorSpace offers an environment where everyone has access to the tools, technologies, experiences, and knowledge to make anything; to create a dynamic, connected, and inclusive community where collaboration fosters a culture of endless creativity.

OUR COMMITMENTS:

1) Empowering Creative Individuals

CreatorSpace is dedicated to fostering the creative spirit within each individual. Our makerspace transcends boundaries, serving as a realm where imagination flourishes, ideas take shape, and makers of varying skill levels can design, construct, and innovate. We offer access to state-of-the-art equipment, abundant resources, and mentorship, empowering our community to transform their dreams into tangible reality.

2) Furthering Education

Education lies at the core of the CreatorSpace mission. We aim to serve as a knowledge hub and skill development center, providing a wide array of classes, workshops, and hands-on experiences. Our goal is to foster learning across diverse domains, including STEM, arts, crafts, and technology. Additionally, we actively encourage our members to take on teaching and coaching roles, making learning accessible and enjoyable for all.

3) Supporting the Community

CreatorSpace recognizes the transformative power of community. Our unwavering commitment to giving back drives us to forge partnerships, engage in outreach programs, and collaborate with local organizations. Through these efforts, we aim to elevate the well-being of our community. Our dedication extends to supporting local initiatives, nurturing entrepreneurship, and promoting social engagement.

4) Inclusivity and Diversity

At CreatorSpace, we foster an inclusive and diverse community. We extend a warm welcome to individuals of all backgrounds, abilities, and ages. Our proactive efforts focus on cultivating a safe and respectful environment that genuinely appreciates the contributions and perspectives of each member.

5) Sustainability and Responsibility

At CreatorSpace, we acknowledge our responsibility to the environment and society. Our commitment lies in practicing sustainability within our makerspace operations. Furthermore, we actively encourage our community members to act as responsible stewards of our shared resources.

SUMMARY:

Loveland CreatorSpace is dedicated to empowering creators, furthering education, and supporting our community through a welcoming and inclusive environment. We aspire to be a driving force behind creativity, learning, and community development and helping individuals to unlock their full potential and enrich the world around them.
