

18900-62XXX series numbers are for sets consisting of a loop, nuts, and ferrules. The 0101- 0XXX series numbers, shown are for the loops only. All loops connect to valves using Valco 1/16- inch nuts and ferrules. (Nickel loops and smaller loops do not include nuts and ferrules.) Part numbers for attaching hardware are nut (0100- 0791) and ferrule (0100- 1022).

**Nickel Sample Loops:**

.25 cc	18900- 20502
.50 cc	18900- 20503
1.0 cc	18900- 20504
2.0 cc	18900- 20505

**Smaller Sample Loops:**

25 $\mu$ L	0101- 0665
50 $\mu$ L	0101- 0667
100 $\mu$ L	0101- 0666
