

Holmium Oxide Filter

Table 14

Holmium Oxide Filter Assembly Parts

Item	Description	HP Part Number
1	Holmium oxide filter motor assembly, includes items 2 and 4	G1315-68700
2	Holmium oxide filter lever	G1315-45001
3	Holmium oxide filter	79880-22711
4	Spring	1460-1510
5	Lever fixture	G1315-09102

NOTE

When the filter motor has been removed, the filter lever should not be reused. Use always a new filter lever to assure correct fit on the filter motor shaft.
