

Table 13

Flow control module / EPC parts	
Description	HP part number
EPC cable assembly, 6-channel	19245-60705
EPC control board	19245-60015
EPC sensor assembly, 6-channel	19245-60025
Mass flow controller	19362-60575
O-ring (for white plastic M8 fittings)	5180-4181
Proportional control valve (includes split vent tune)	19251-60720
Septum purge regulator	19251-60710
Septum vent tube	19244-80580
Solenoid valve assembly	19251-60560
Split vent weldment	19251-80525
Swagelok plastic caps, 1/8-inch (cover split vent and purge vent)	05890-40230
