Dear Friends and Family,

I am writing to you on the behalf of Beyond Conquerors Ministry (aka Beyond Conquerors, Inc.), a 501(3)(c) organization, to introduce you to our organization. We are dedicated to bring love and hope to individuals who have been knocked down by life's difficulties with a primary focus on women. Our desire is to empower and encourage women located within Women's Shelters who are often knocked down by various difficulties in life so that they can get back up and chase after their dreams. We also have a focus of helping very poor women located in Africa that wish to receive job training and employment. It is our hope that we will reach and help as many people as we can.

Our services for women within Women's Shelters is to provide them with inspiring, educational and encouraging messages, through the Bible, books, other messages, and articles through YouTube, web conferences and web events. Our education includes helping them establish achievable goals and instill confidence and self-esteem by demonstrating to them that they are strong and filled with talent. We also support them by obtaining the resources they require to be successful, including providing them with food, household goods (sheets and towels) and Hygiene items. We also wish to provide the following services once we have the appropriate financial support: legal support, life coaching, anger management and counseling.

In Africa, we help women in need by providing them with job training and employment. We are working in underserved areas by helping those who have the desire to work but do not have the opportunity to do so. Our objective is to help these women develop job skills to enable them to achieve gainful employment.

In order to make a difference, we rely on the support of generous individuals, businesses, organizations, and churches in our community. We would be grateful if you would consider providing a donation of any amount to our organization, Beyond Conquerors, Inc. Donations to Beyond Conquerors are tax deductible. We are also looking for someone that would be able to provide pro bono legal services to expand our ministry. If you or someone you know are able to

provide this service or if there is another way that you can support us, we would love to hear from you. All donations are very critical to continuing with the ongoing support of our projects and our operational and administrative expenses.

Another way to support our ministry is to subscribe to our YouTube Channel:
