STRENGTHS

Any positive developments, traits, accomplishments, or interactions you noticed in the child or family?

Examples:

- How does the child interact with the CASA or with others? (i.e. kind, polite, quiet, talkative, etc.)
- How is the child doing in the home?
- Has the child demonstrated new skills or knowledge since you last reported?
- Strengths you have observed in the parents or caregivers?
- Strengths you've observed in extended family members? (Grandparents, aunts, uncles, etc.)

EDUCATION

- Is the child attending school virtually or in-person? Which school district?
- Is the child participating actively?
- Does the child require educational support?
- Does this child have an IEP (Individualized Education Program) or a 504 (behavioral plan)?

MENTAL HEALTH & BEHAVIORS

Try to elaborate on any concerns or observations regarding child's mental health and/or behaviors:

- Child exhibits a change in behavior since last report
- Child's parent or caregiver reports a change in child's mental health and/or behavior
- Child has been diagnosed with a mental health issue
- Child has expressed a concern, worry, or change in feelings to the CASA

CONCERNS

Do you have any concerns about the child’s physical, emotional, or developmental wellbeing?

Things to consider:

- Relationships
- Education – is the child attending school in person or online?
- Development – social emotional, intellectual, physical
- Safety – any child welfare concerns? Any concerns related to COVID-19?
- Any other concerns

RECOMMENDATIONS

What would you recommend to help the child thrive under the current circumstances? What would be in the child’s best interest? Include a bulleted list of items.

Things to consider:

- Continued placement? New placement?
- Mental health services?
- Educational support?
- Family support?
- Any other recommendations you’d like to be considered.

Respectfully Submitted,
