Boulder JCC | 6007 Oreg Ave, Boulder, CO 80303

Anticipated attendance: 350 business and community leaders

Night of Hope is our signature event to celebrate our valuable volunteers, create awareness, and raise needed funds to continue to provide support and advocacy for children who have experienced abuse and neglect in Boulder County. The evening includes food and drinks, organizational updates, and a live auction. Your investment as a sponsor will spark a partnership that builds meaningful connections, enhances brand recognition, and supports vulnerable youth.
