

As we reach the midpoint of the fiscal year 2023-2024 and look forward to ending our year strong, I would like to express my greatest appreciation to each and every member of our Voices for Children, CASA of Boulder County (VFC) community. These past months have been a testament to our collective resilience, growth, dedication to our mission, and most importantly, to the vulnerable children we serve.

I am incredibly proud of the strides we've made together at VFC so far this fiscal year. Our journey has been marked by significant achievements and transformative moments that have strengthened our organization's impact.

At the onset of this fiscal year, we faced the challenge of over 50 children awaiting a CASA volunteer within Boulder County. Today, I am delighted to share that we have significantly reduced this number. We have since sworn in 40 new CASA volunteers. This milestone reflects the unwavering commitment and tireless efforts of our team and community to appoint a stable and consistent volunteer to every open court case.

Since October 2023, our Board of Directors and leadership team worked diligently to craft our three-year strategic plan. This plan provides a roadmap for our future endeavors and ensures that we continue to make a meaningful impact in the lives of children and families in Boulder County.

Looking ahead, the remainder of the fiscal year promises new opportunities and achievements. With our shared spirit of collaboration, resilience, and dedication, I am confident that we will continue to reach new heights and advance our mission.

Thank you for your unwavering support and dedication to the cause. Here's to a successful and impactful continuation of the fiscal year 2023-2024!

Warm regards,
