COMPANY PROFILE

13 years of industry expertise with assisting in leading worldwide provider of transportation, warehousing, fulfillment, global logistics, business intelligence, technology, and supply chain solutions and resources.

Sometimes you need a partner to go the extra mile. Honest Logistics is there to handle the most complex and challenging supply needs with exceptional service. We have moved resources throughout the United States both with the government and commercially. We also provide a large array of supply chain solutions such as HVAC and Plumbing installation and maintenance.
