What To Expect

I absolutely love taking women who have never done a boudoir photo shoot and showing them they, too, are supermodels! One of the major keys to a successful shoot and the most gorgeous portraits you've ever seen of yourself is being prepared.

To help you feel confident and ready for the most luxurious, empowering experience, I've put together this preparation guide. Let's dive in!

Initial Consultation: Let's Chat!

Before we get into the glitz and glamour, let's start with a friendly chat.

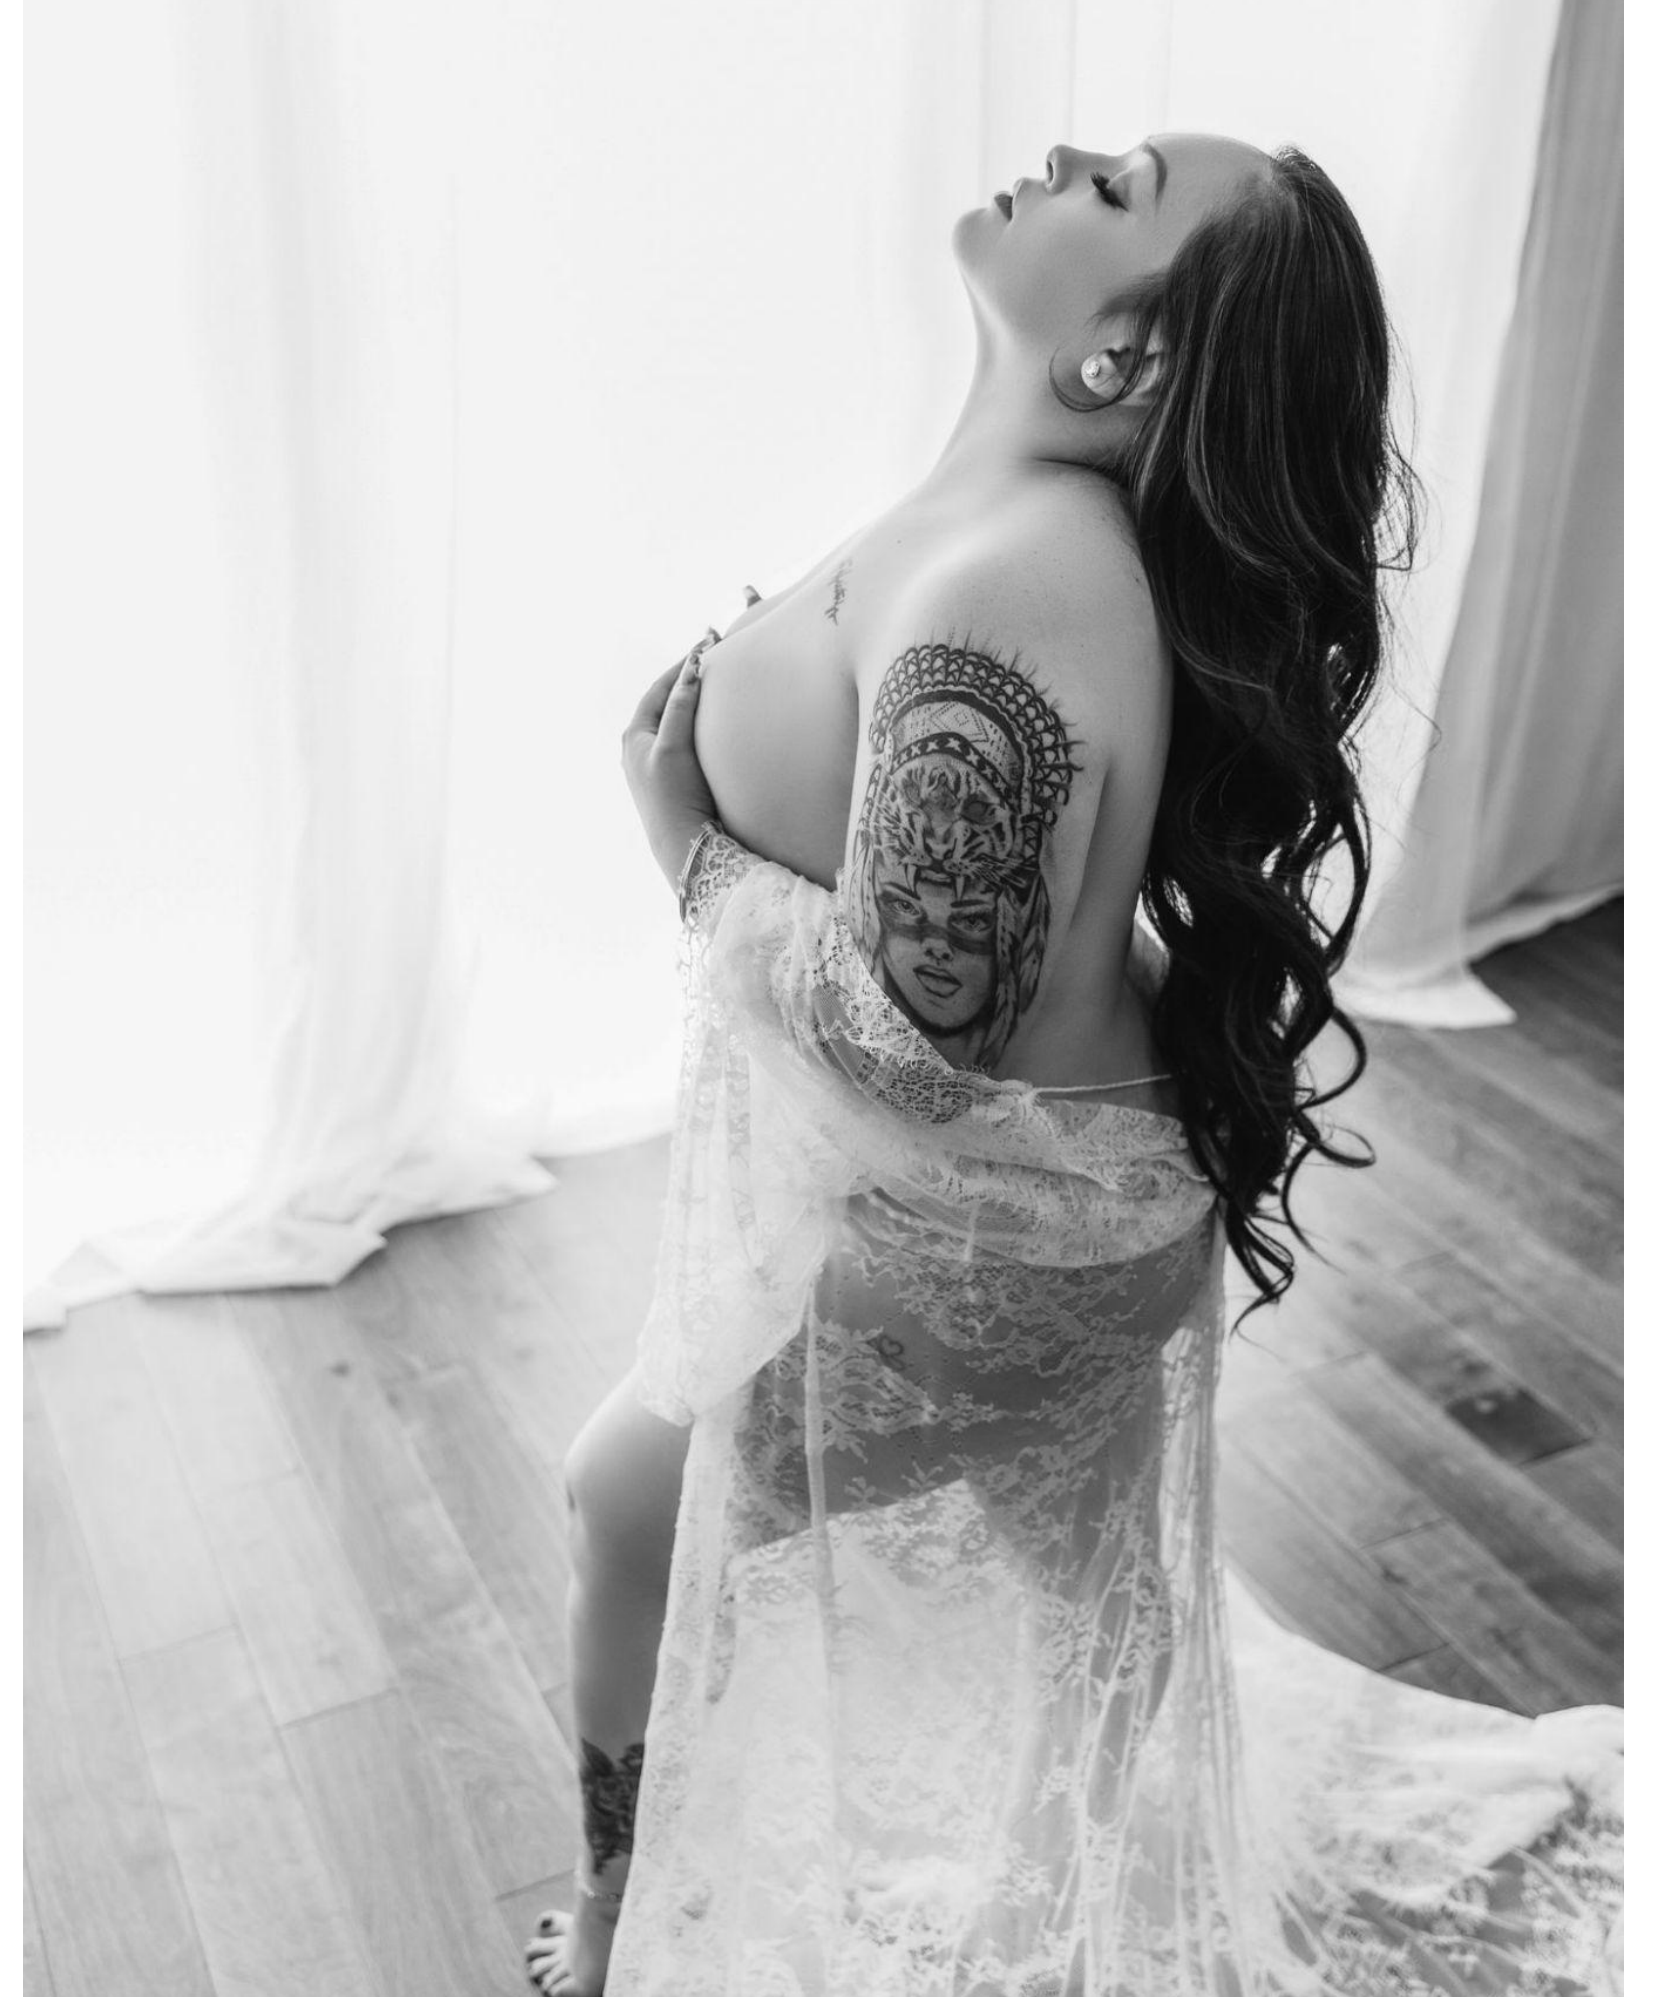

Our initial phone consultation is the perfect time to discuss your vision, address any concerns, and get to know each other. This helps me, Bronwyn, ensure your session is tailored to your preferences and comfort.

Trust is crucial. My goal is to capture your beauty in a way that makes you feel empowered and confident.

Outfit Tips and Ideas

Choosing the right outfits can enhance your boudoir experience. Here are some tips to help you decide what to wear:

What To Wear

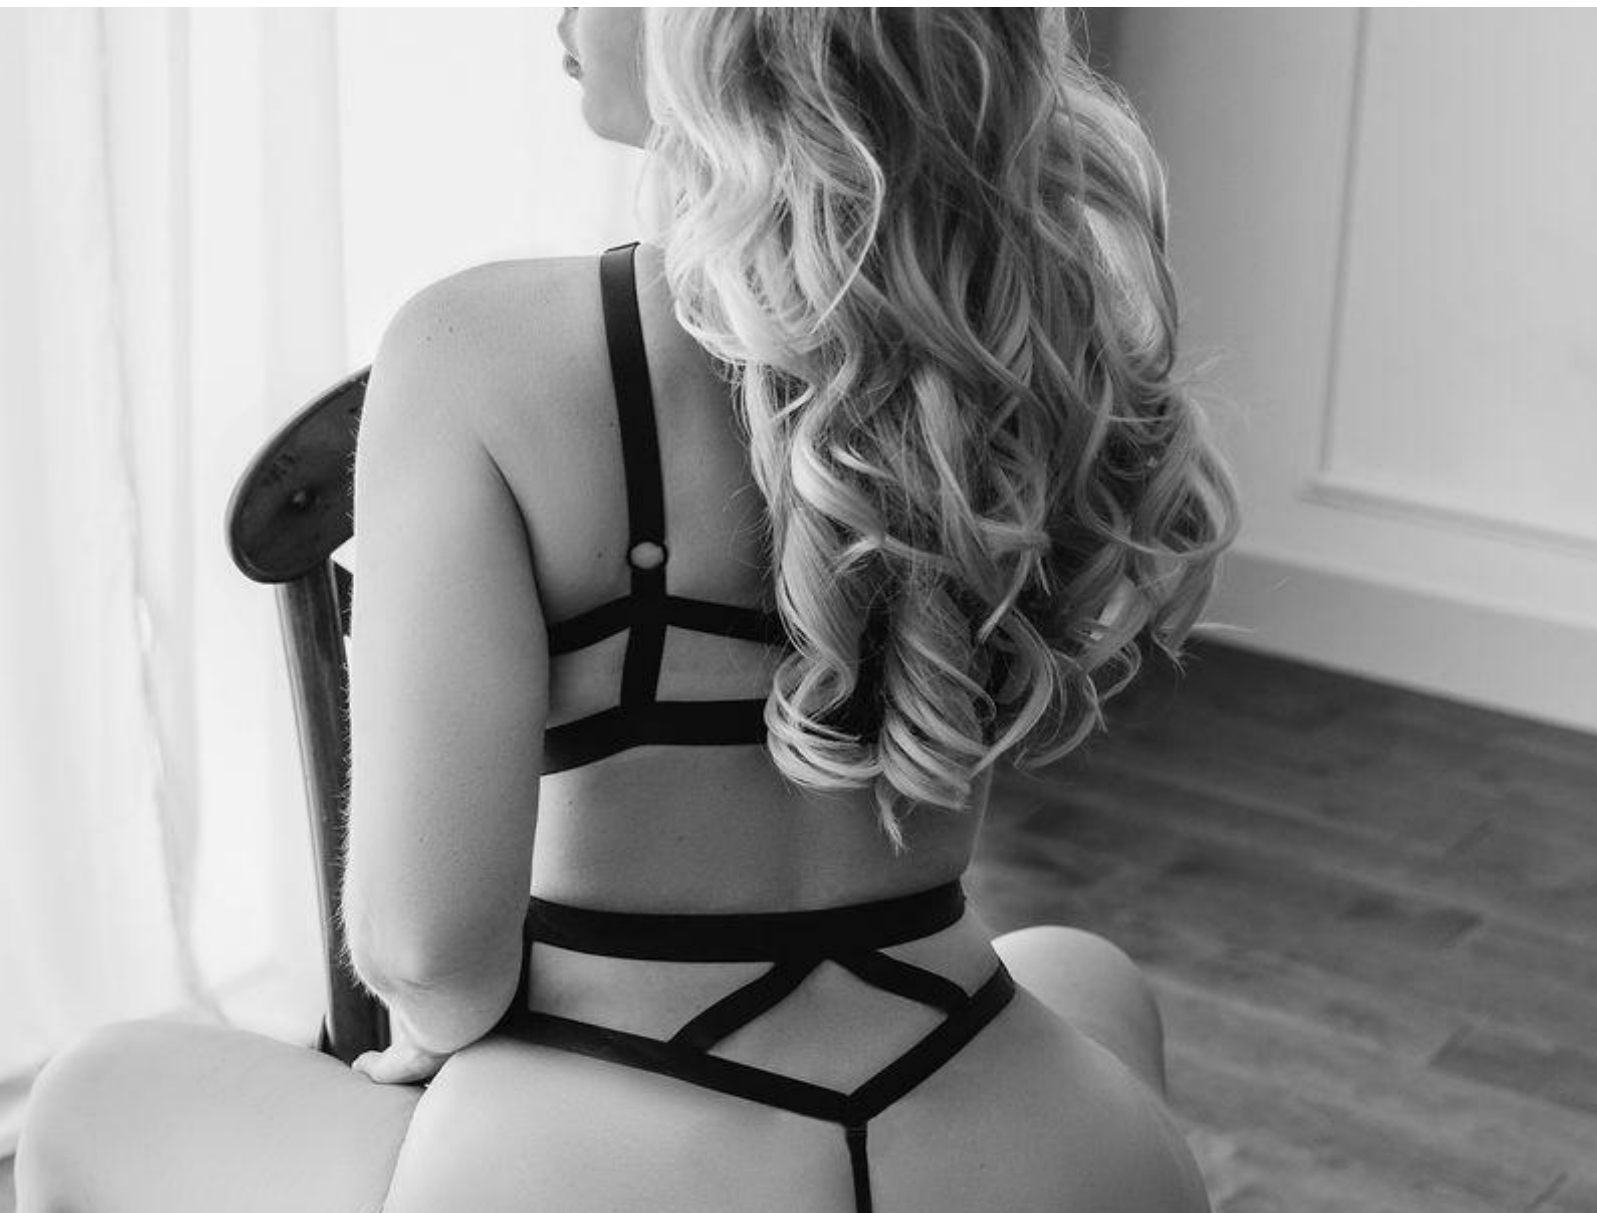

- **Variety**

Bring a mix of outfits to give your photos different looks. From sultry to playful, having options can add depth to your session.

- **Lingerie**

Opt for pieces that make you feel sexy and confident. Think lace, satin, and silk in colors that flatter your skin tone.

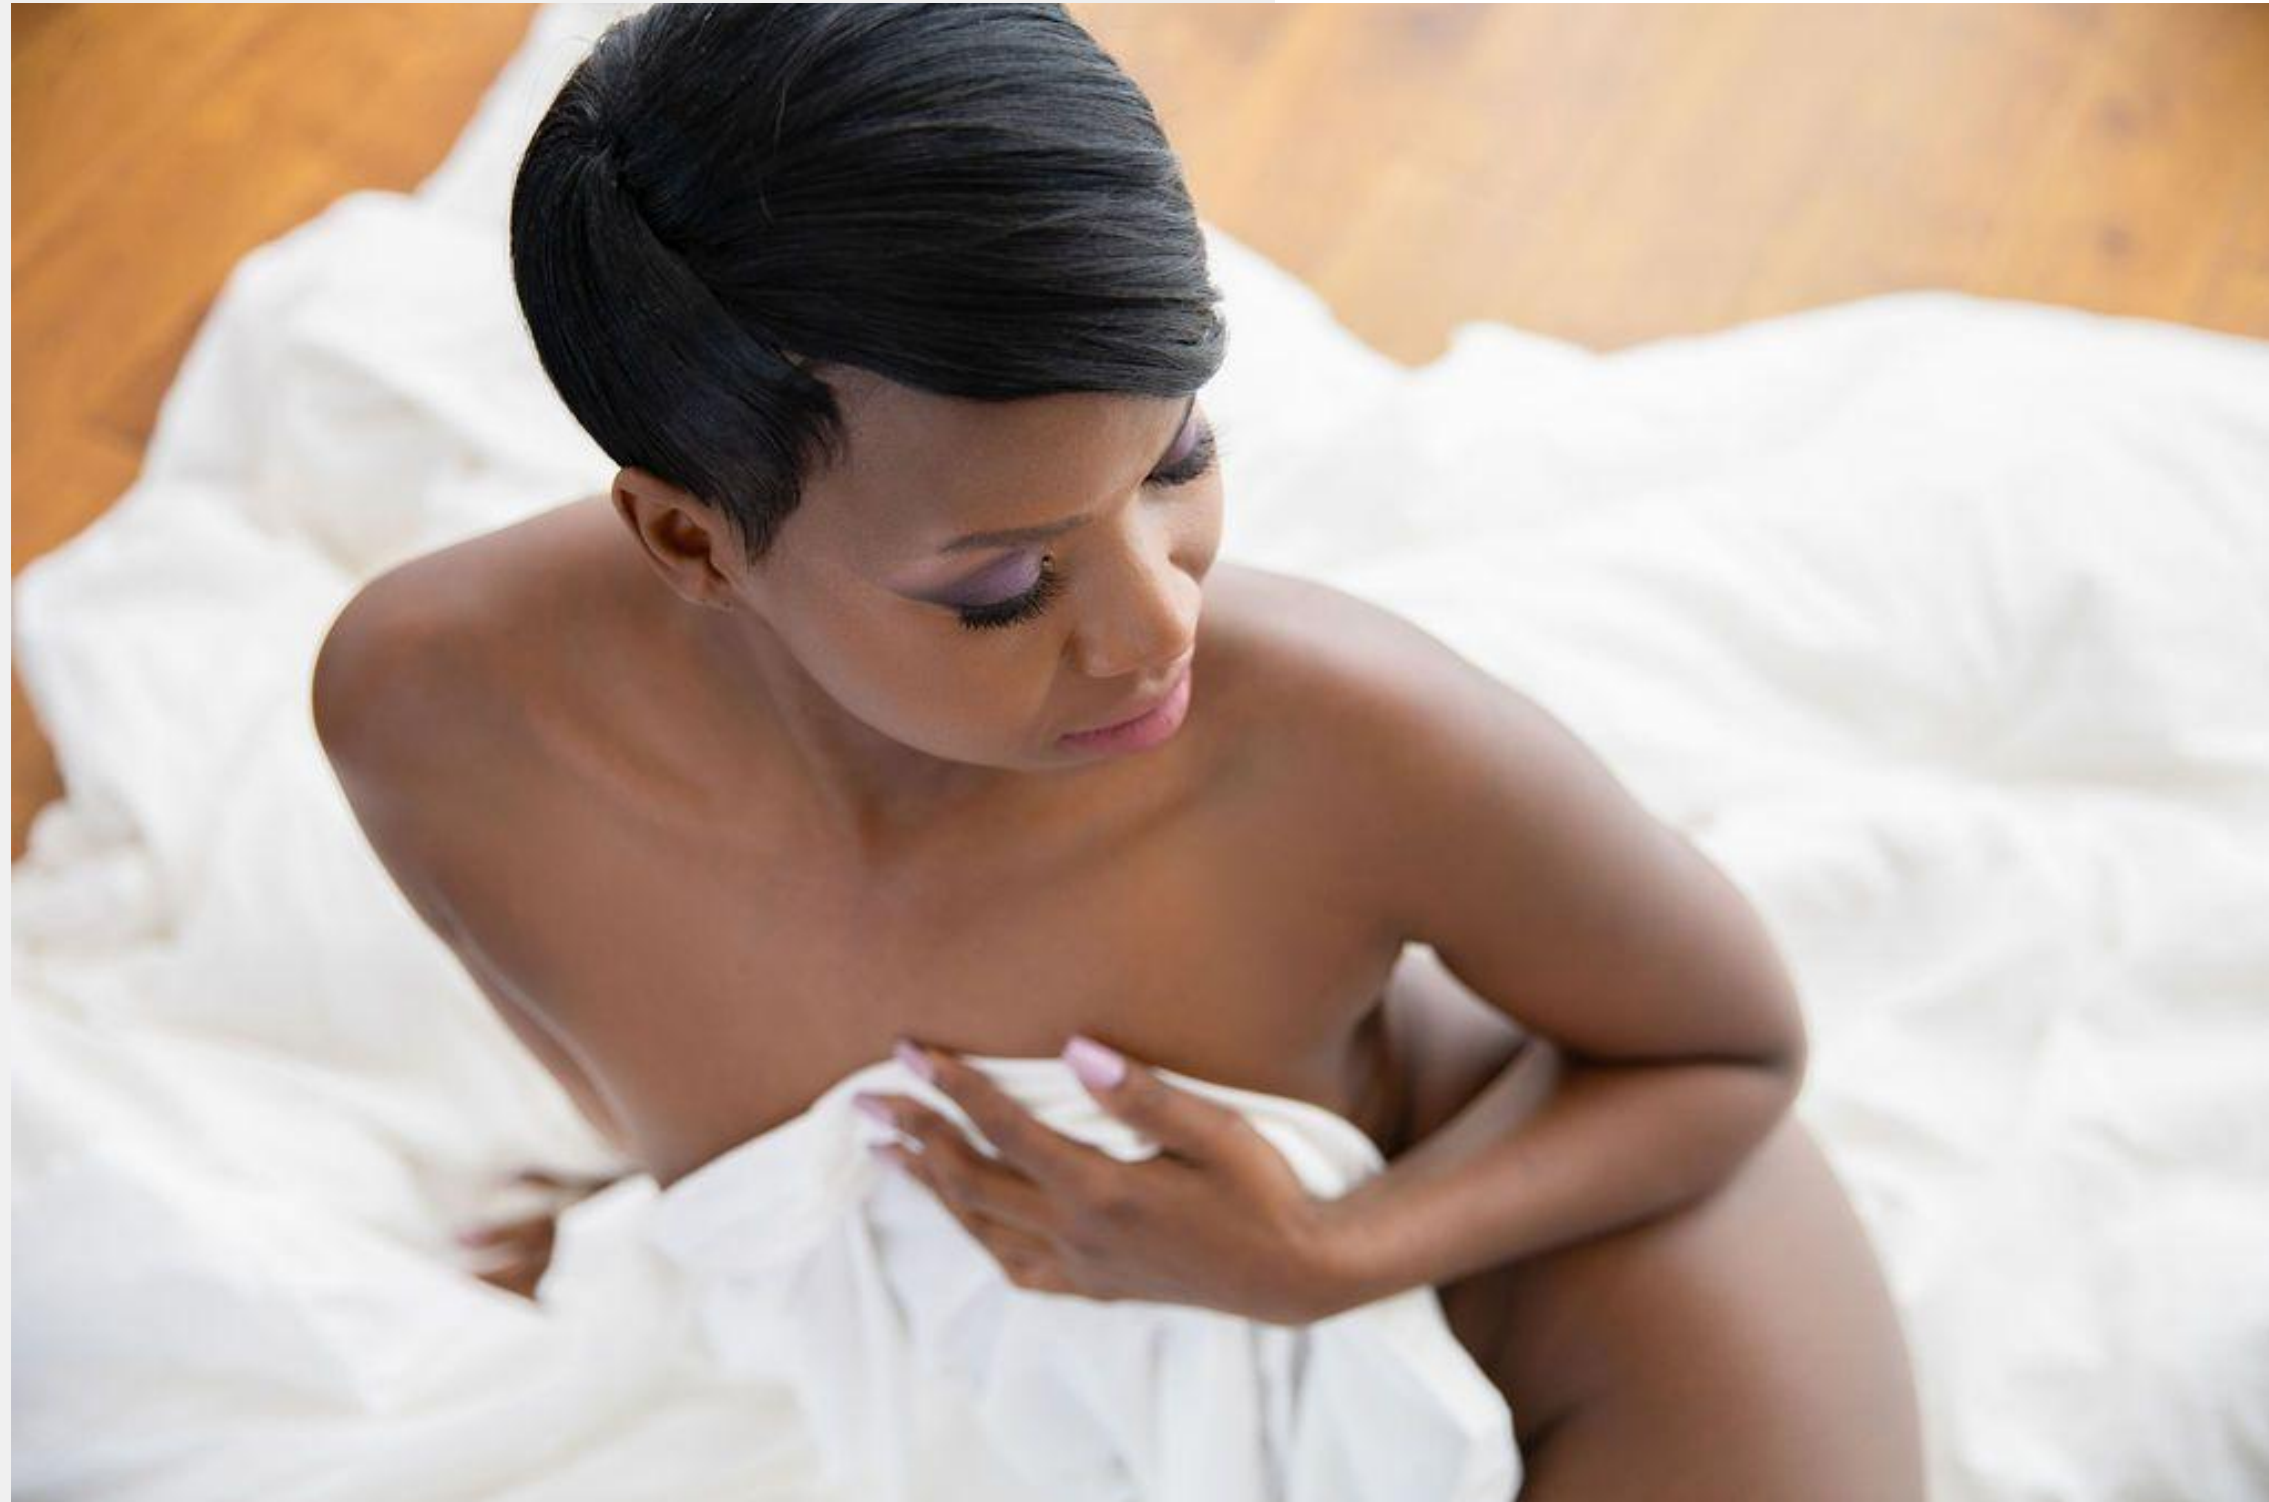

- **Personal Touches**

Incorporate personal items like a favorite shirt, a special piece of jewelry, or a beloved robe.

- **Comfort**

Wear outfits that fit well and make you feel comfortable. Avoid anything too tight or restrictive.
