## DRIVING TOUR HIGHLIGHTS

Incline Village and Crystal Bay businesses...and homes, put up the traditional holiday lights to create a festive spirit, enhancing the natural beauty of Lake Tahoe and the forested mountains. Instead of just going directly to your destination, why not loop through the main avenues through Incline Village, either beginning or ending up in Crystal Bay? See if you can find the 25+ wreaths and other decor that the Northern Lights Festival committee has installed for your pleasure!

ALL of them are following state COVID protocols...support them in the manner that works for you. All of them have takeout, if you aren't comfortable dining in.
