

SERVICE SUBSCRIPTION POLICY

Monthly Service Subscription

By purchasing a bi-weekly, monthly, bi-monthly, or quarterly subscription or any other subscription service, you agree to an initial and recurring service subscription fee at the then-current subscription rate, and you accept responsibility for all recurring charges until you cancel your subscription. You may cancel your subscription at any time, subject to the terms and conditions of our cancellation policy.

Once you subscribe to one of our service options, N.E.E.W will automatically process your monthly fee on the first day of every month on your next billing cycle. N.E.E.W will continue to process your monthly fee each month at the then-current subscription rate.

Annual Service Subscription

By Purchasing an annual subscription, you agree to an initial prepayment for one full year of service. After one year and annually thereafter, you will be billed a recurring annual subscription renewal fee at the then-current annual subscription rate. We will notify you before the renewal fee is billed 30 days prior to your renewal date. You may cancel your annual subscription any time before the next annual billing cycle, subject to the terms and conditions of the cancellation policy.

*A Note About Handling Hazardous/Biohazardous Waste

Cleaning services will occur the day after your scheduled garbage pickup day. It is the responsibility of consumers to make sure that residual non-hazardous/household waste material is bagged and contained to the best of their ability. Bins containing residual waste material that is potentially hazardous to our Eco Technicians such as human waste, feces/urine of any kind, and any other material determined to be a biohazard will be subject to a \$60.00 fee. At our discretion, New England Eco Wash reserves the right to refuse to service bins if our Eco Technicians determine that bins cannot be handled safely. In this circumstance, the regular service fee still applies. We will do our best to notify consumers if these circumstances apply.
