

Medicare Enrollment Checklist

1. Six months before the month that you turn 65.

- ✓ If you plan on enrolling in **Original Medicare** (parts A and B) **WITH** a Medicare Supplement, you can enroll in your Medicare Supplement **at this time.**
- ✓ The advantage to this is that you will lock in your premium and not be subject to any rate increases for **18 months.**
- ✓ My advice is to contact a **Medicare Professional** to help you with this process so that you will be informed of all the options available.

2. Three months before the month that you turn 65

- 1) visit your local social security office and enroll
- 2) call social security at **1-800-772-1213** and enroll by phone.
- 3) enroll on line at www.ssa.gov/medicare/
