Tiebreaker Rules

1) Head-to-Head Competition

- The results of the games played only among the tied teams are used first.
- Points - determine the number of points earned by each team in matches between the tied teams.
- Goal Difference – If teams are still tied, the team with the greater goal difference in matches between the tied teams is ranked higher.
- Goals scored - If still tied, the team that scored more goals in the matches between them is ranked higher.

2) All Group Matches

- If the tie is not broken, the process repeats using the results from all group matches.
- Goal Difference - the team with the greater goal difference across all group matches is ranked higher.
- Goals scored - If still tied, the team that scored more goals in all group matches is ranked higher.

3) Final Tiebreakers - If a tie still exists, the following criteria may be used

- **Penalty Kicks** – If teams remain tied, the final ranking will be determined by the results of the penalty shootout conducted between the tied teams following their round-robin match.
- **Drawing of Lots (Coin Toss)** – If the final ranking still cannot be determined, it will be decided by a coin toss.
