Important things to know

<p>Uniforms</p>	<p>All Club “competitive level” teams, which include Indoor and Outdoor, at all age levels, competing at the District, Regional, Provincial or National Levels (including tournaments and championships) shall be identified on the field of play by its official Club name and/or emblem and be displayed by its Clubs’ common colours.</p> <p>No third-party or affiliated soccer organization markings or colours are permitted to be a part of a Member Club's branding.</p>
<p>The "8-Second" Goalkeeper Rule (Law 12)</p>	<p>To reduce time-wasting and improve game flow, the time a goalkeeper is permitted to hold the ball has been extended from 6 to 8 seconds, but with stricter enforcement and a new restart.</p>
<p><i>Application & Enforcement:</i></p>	<p>The Count: The 8-second count begins once the goalkeeper has clear control of the ball with their hands. Visual Signal: Referees will now provide a clear visual countdown using their hand for the final 5 seconds of the count. This allows the keeper, players, and spectators to see exactly how much time remains. The Restart: If the goalkeeper exceeds 8 seconds, the restart is no longer an indirect free kick. It is now a Corner Kick awarded to the opposing team. Exceptions: If an opponent unfairly prevents the goalkeeper from releasing the ball, the referee will stop the count and award an indirect free kick to the goalkeeper’s team.</p>
<p>"Only the Captain" Protocol (Law 5)</p>	<p>In an effort to eliminate the "mobbing" of match officials, a new protocol has been established regarding who can approach a referee to discuss a decision.</p>
<p>Application & Enforcement:</p>	<p>The "Captain-Only Zone": Following a major decision or incident, the referee may initiate this protocol by blowing the whistle and using a new signal (crossing arms at the wrists and then pushing outward with open palms). The 4-Metre Rule: Once signalled, a 4-metre "zone" is created around the referee. Only the captain from each team is permitted to enter this zone to discuss the decision. Sanctions: Any player other than the captain who enters this zone or approaches the referee, in a confrontational manner will be automatically cautioned (Yellow Card) for dissent. Goalkeeper Captains: If your team captain is the goalkeeper, you must nominate one outfield player to act as the designated spokesperson before the coin toss. Only that designated player (or the goalkeeper) may approach, not both.</p>
<p>World Cup</p>	<p>During the World Cup, no games will be scheduled when Canada plays; this applies to all divisions.</p>

* Where dates are not specified, they will be determined based on registration
