

# S U M M E R 2 0 2 6 SLINGERLAND TEACHER COMPREHENSIVE CLASS

## The Slingerland® Approach

Slingerland® Multisensory Structured Language Training is an effective teaching approach that can be used as a vehicle for making any curriculum accessible to all students by teaching skills that enable them to become independent readers, writers, and thinkers. Because the approach is adaptable to any curriculum, it can be used to teach any subject.

### Introductory Level:

Introductory Comprehensive Class participants can enhance their teaching skills by learning the core elements of the Slingerland® Approach through a mix of lecture, demonstration, and working with students in a practicum-class setting.

### Location & Dates:

#### **Livermore Valley Academy**

557 Olivina Ave  
Livermore, CA 94551  
June 17 - July 17, 2026

### Class Content Includes:

- Instruction in the introductory steps of handwriting, written language, decoding and reading comprehension
- Practice with multi-sensory teaching principles with children
- The study of phonic rules and their application to encoding and decoding
- The neurology of language as a means of developing oral language skills
- The relationship of curriculum and classroom organization to the language arts program
- And so much more!

### Graduate Level Extension credit available!

The comprehensive classes are approved for 6.0 Graduate Level Extension credits through the University of San Diego.
