

Dear Jennifer:

It has been an absolute pleasure working with you and the Johnson Group. I have worked with recruiters in the past, and have really not had a great experience until I started working with your company. The Johnson Group brings a fresh take on recruiting, and feels like I have an entire team working with me.

As you know I was hesitant at first, but now that I have had the chance to work with you I am sure I made the perfect decision. From the initial meeting with your team to discuss our needs it was clear you had an understanding of our market in NYC, the type of work we do, as well as the culture of our firm. You were able to send us the exact type of candidates we were hoping for, which is demonstrated by the two offers that were accepted today!

I am so excited for our new employees to start, thanks to you, and look forward to our continued relationship to fill our open positions. I would not hesitate to recommend the Johnson Group and believe any firm would benefit from working with your team.

Sincerely,  
RAND Engineering & Architecture, DPC
