I hereby allow Dance Empire to maintain my credit card information on file. Payments can be made by check by credit card (5% credit card fee), or by Zelle to [Danceempireofmiami@gmail.com](mailto:Danceempireofmiami@gmail.com) (\$5 Zelle fee) A valid credit card **MUST** be kept on file at all times regardless of your choice of payment. If a Zelle is submitted without the \$5 Zelle fee, your credit card will automatically be charged the \$5 fee along with the 5% credit card fee, for a total of \$5.25. If a check is returned there is a \$30 fee along with the 5% credit card fee (total \$31.50), that will automatically be charged to the card on file, as well as the amount of the check that was returned. I understand that after the 5<sup>th</sup> of every month the system automatically adds a \$50.00 late fee to my tuition. **I am aware that it is my responsibility to notify Dance Empire if there are changes to my account by the last day of the month prior to billing and that this notice shall be made in writing.** Should you fail to notify us in writing, Dance Empire shall not be responsible for refunding monies and this includes dropping classes, switching classes, suspending classes, etc. I understand that if this notification does not take place by the last day of the month prior to billing, my credit card will be **automatically charged the agreed amount of tuition per this registration form.** I understand that I must immediately sign a new registration form with the new amount to bill monthly upon additions or suspensions of classes. I am aware that I may exercise the missed class policy and make up absences within four weeks of the missed classes with another age appropriate class. With my permission (which will be based upon flyers sent home to be signed and dated), I allow Dance Empire to automatically charge my credit card for uniforms, costumes, recital fees, recital advertisements, etc., If I choose to participate. I will agree to participate by completing and signing flyers provided throughout the year.
