Back to Basics: Why Bayes still matters

Presented by:

Sheldon Bernard, Founder A440 Management LLC

April 18th 2024

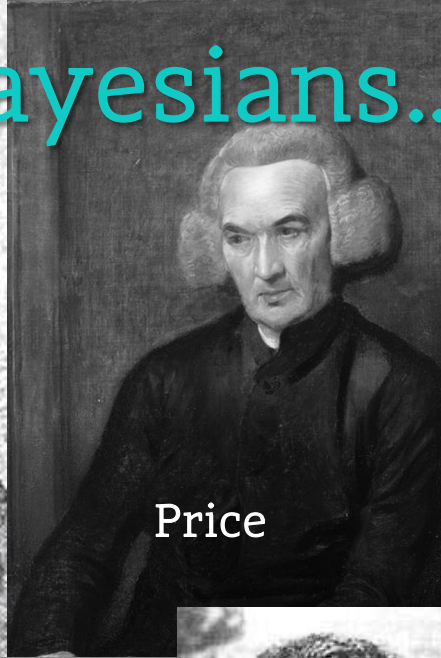

You keep using that word...

Bayesians...

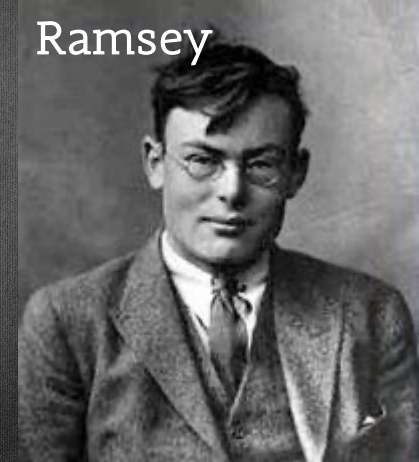

Bayes (well not really)

Price

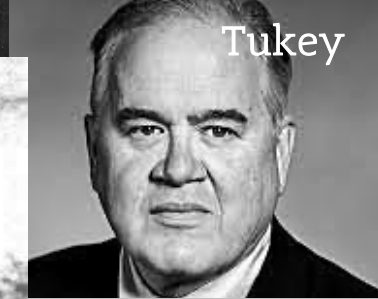

LaPlace

Ramsey

Turing

Tukey

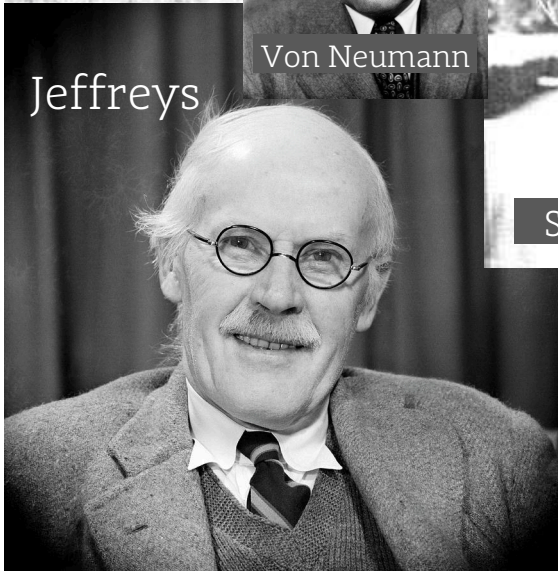

Raiffa

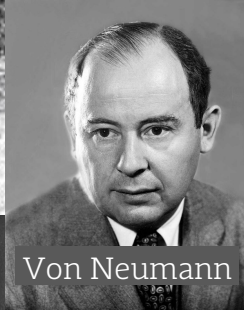

Jaynes

De Finetti

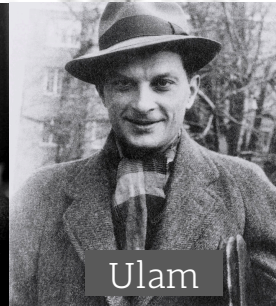

Jeffreys

Von Neumann

Savage

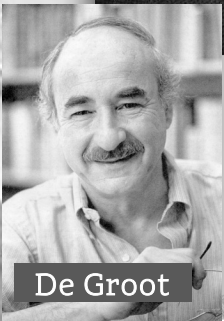

Ulam

Lindley

Metropolis

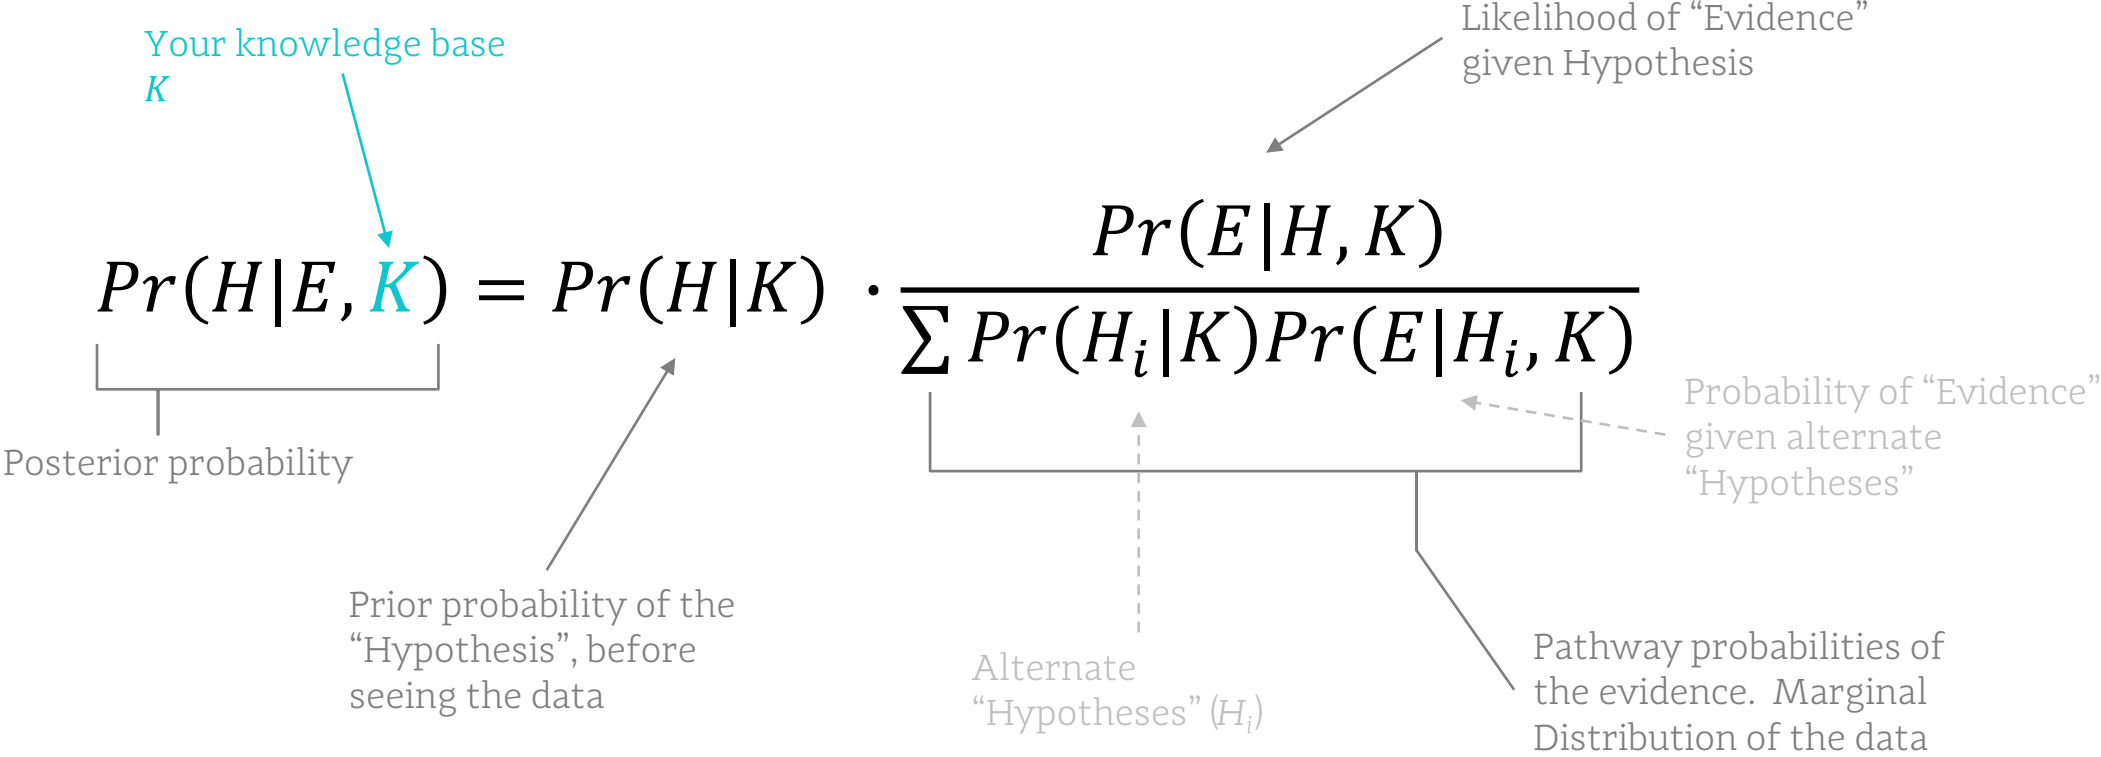

De Groot

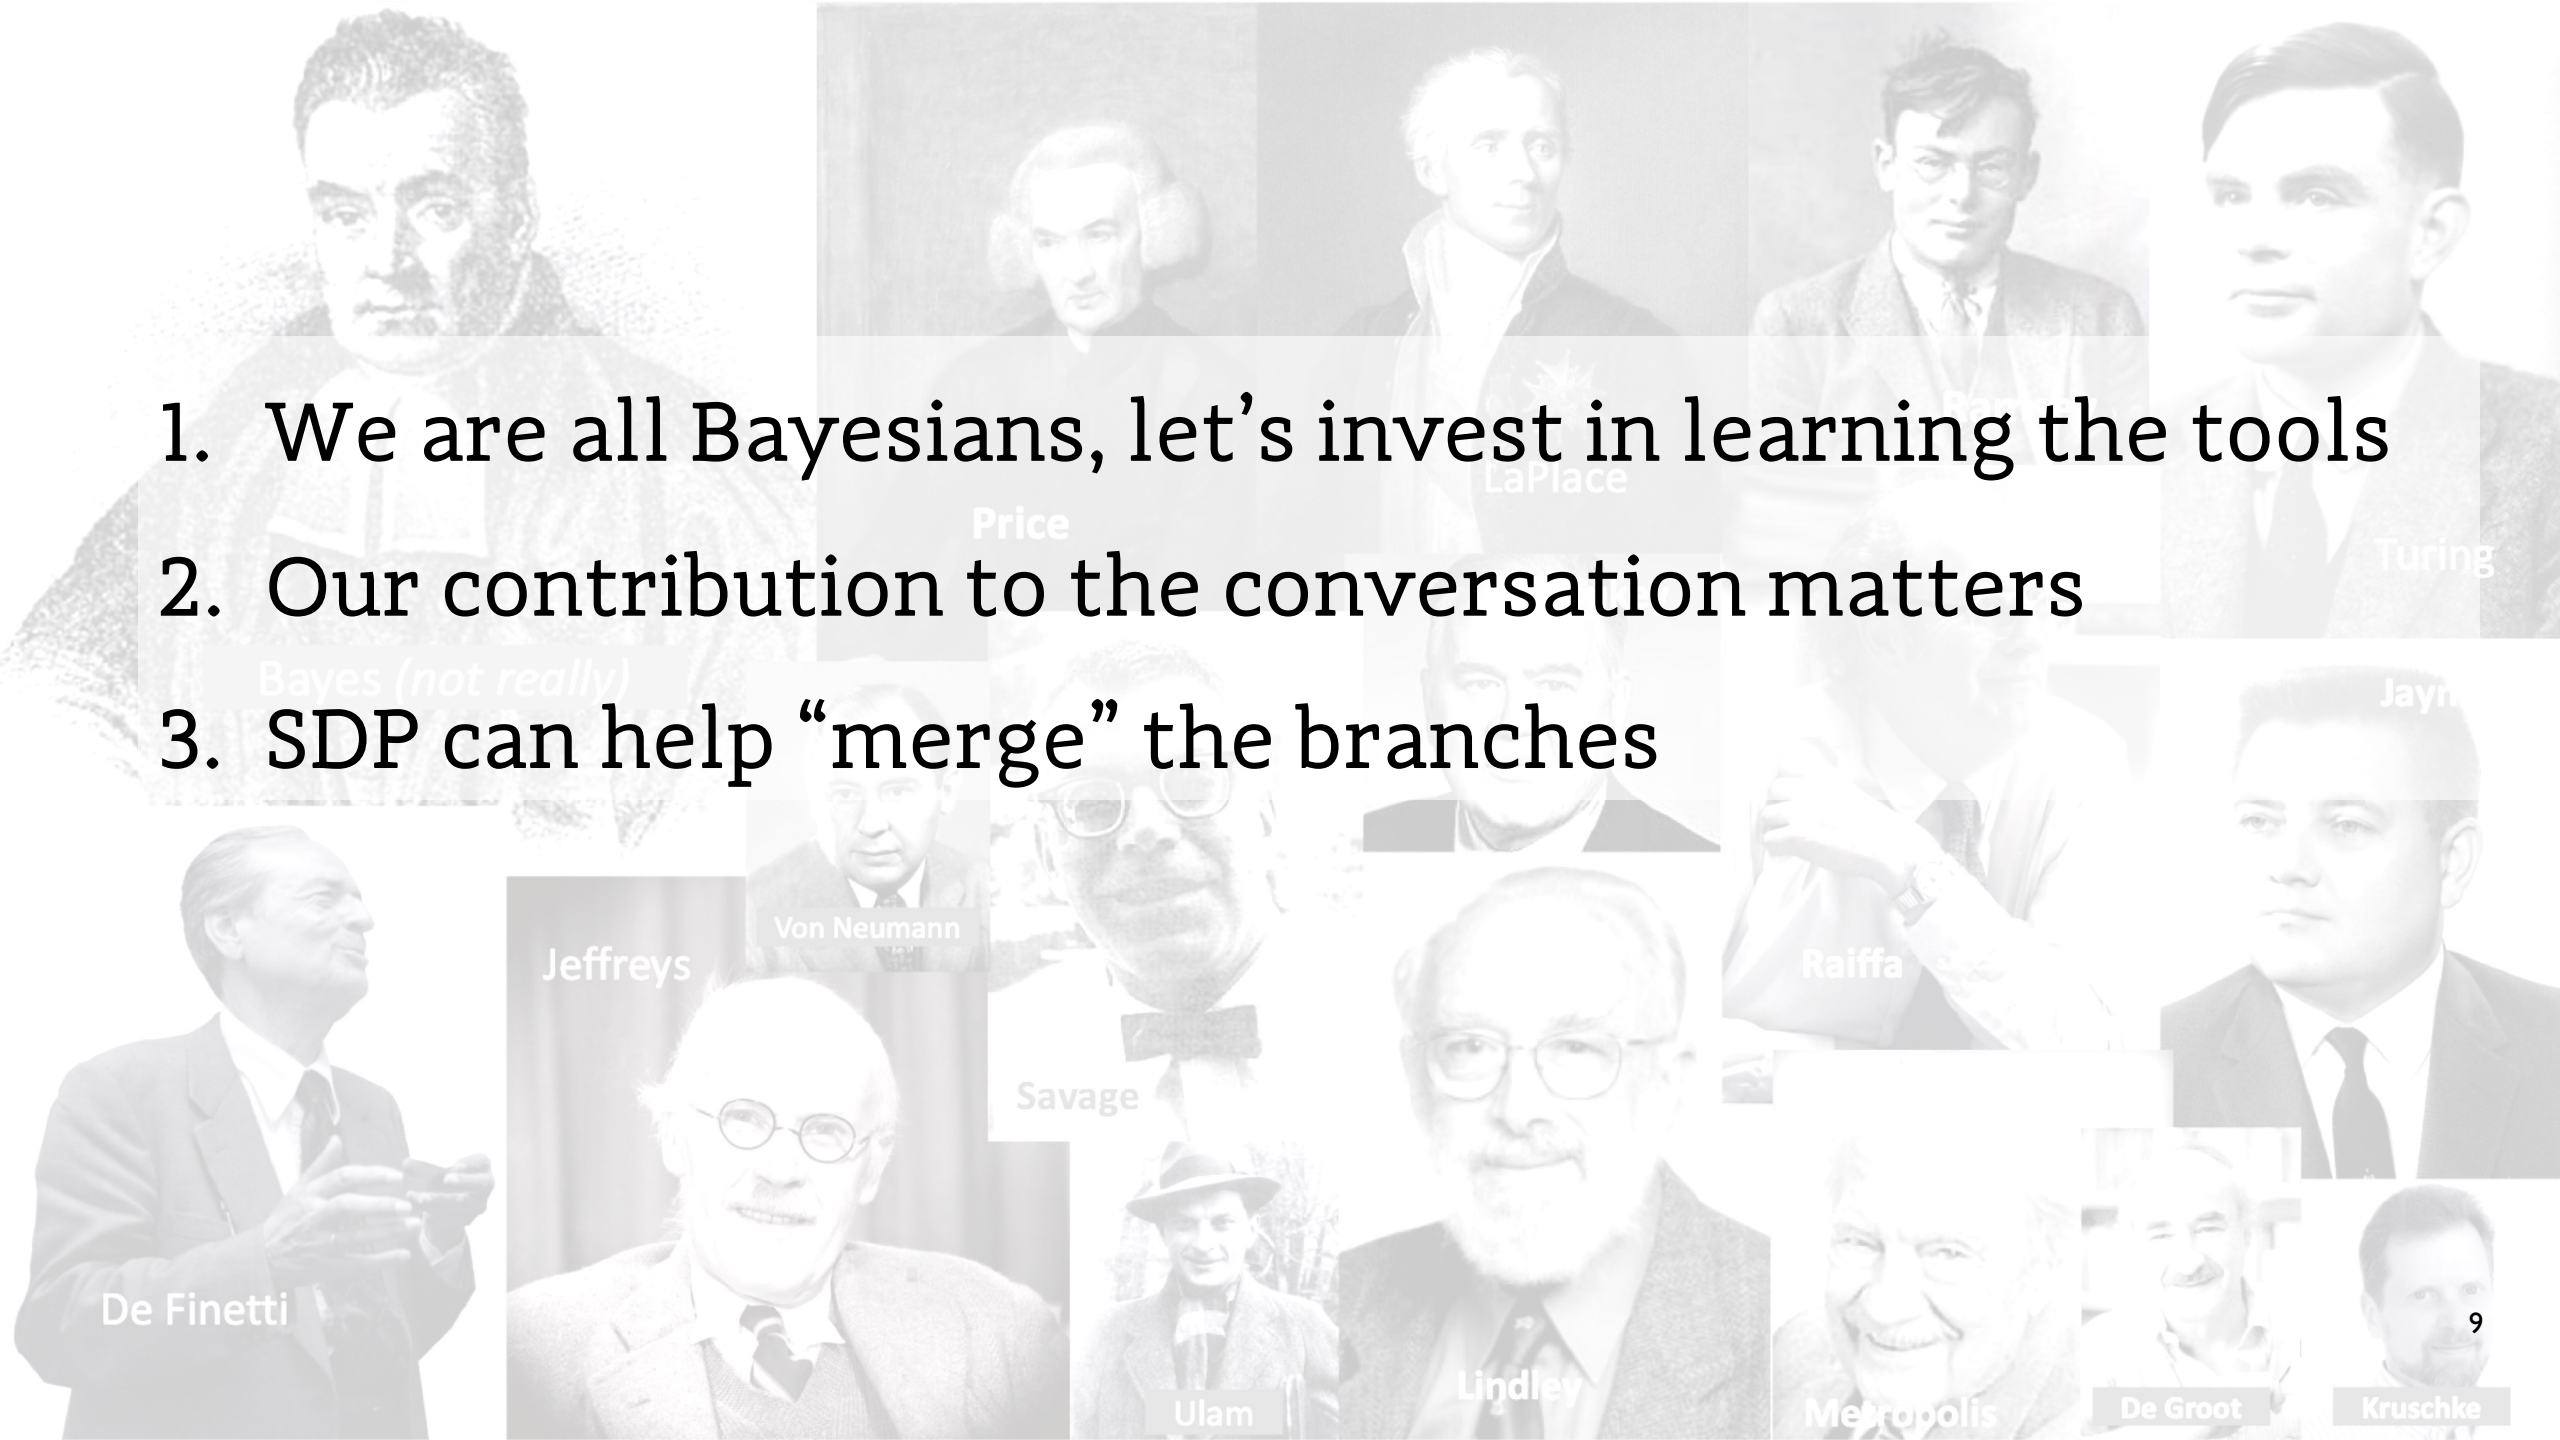

Kruschke

Bayes Theorem and its components

- 
1. We are all Bayesians, let's invest in learning the tools
 2. Our contribution to the conversation matters
 3. SDP can help “merge” the branches

De Finetti

Jeffreys

Von Neumann
