

Puppy Schedule Example

6:00 am: Outside to go potty (5-10 minutes)

6:15 am: Playtime

6:30 am: Breakfast - Training Time

6:45 am: Outside to go potty

7:00 am: Playtime or crate time (if did not potty)

7:30 am: Outside to go potty

7:45 am: Exercise/mental stem

8:45 am: Outside to go potty

9:00 am: Nap/Crate time

*You can adjust crate time as your puppy matures. Young pups (under 4 months) need several naps per day. This schedule should be followed for all dogs starting at the beginning with potty training.

**Be sure to incorporate canine enrichment (mental stimulation) into your pup's daily
