

Greetings!

Golf Aero appreciates your consideration and we look forward to assisting you.

Our Pilot training programs are for aspiring pilots and a great way to build your aviation career with experience by strengthening you to your next adventure!

The following Course outline meets or exceeds FAR 61 aeronautical requirements for Private Pilot Certification, Implemented by the Federal Aviation Administration (FAA)

FAA PRIVATE PILOT PROGRAM

30 hours Dual @ 235.00 hr. (172 Cessna)	\$ 7,050.00
10 hrs. Solo @ \$ 170.00 hr.	\$ 1,700.00
10 hours Ground school @ \$65.00 hr. (one on one with instructor)	\$ 650.00
Private Pilot Books & Supplies / EFB	\$ 600.00
Check-ride Aircraft Rental (2 hours)	\$ 340.00
FAA Check ride	\$ 1,500.00

TOTAL PROGRAM COST \$11,840

Note: Total number of hours depends upon the student's aptitude towards flying, study habits, student's availability, and weather conditions. The Above Estimate is based on the realistic average hours needed to fulfil each program.

Prerequisite for private pilot (ASEL):

- 16 years old to fly solo.
- 17 years old to receive your private certificate.
- Read, write & speak English.
- Third- class FAA medical certificate.

Happy Landings!
