Joyce Mullem
 Joyce has been interested in drawing all her life. She is one of the first local students of the Dick van den Hoogen, taking a drawing course the summer of 1962. She also studied under him in Pastels, Oils, Scratchboard, Pen and Ink and Water Colours. If she has a preference in media, her favourite is black and white with colour wash. Joyce's drawings and paintings have been reproduced as Christmas Cards, Prints and Calendars. At the Alberta Summer Games in August 1981 in the cultural division, Joyce won a Gold Medal for her Oils, and a Bronze Medal for her Water Colours.

ABOUT THE PRINT

These contemporary lithographs are selections from the hand engraved plates of artist printmaker Doug Forsythe. The printing of each plate was totally supervised by the artist and inspected to insure quality. His stamp of approval, in the form of his hand written signature, was then placed at the bottom of each approved print.

ABOUT THE ARTIST

Doug Forsythe was born in 1949 in Wolfville Nova Scotia. He studied at the Nova Scotia Collage of Art & Design in Halifax.

Through the years his work has been purchased for many collections throughout Canada and the United States.

Working with a variety of mediums, water colour, acrylic, oil, engraving etc., his trained eye and skilled hands fashion a varied and wide ranging visual message. It is this approach that establishes his art as a true and personal statement.
