The successor and/or alternate trustees you name below will only become trustee(s) if neither of you are able to do so. For successor trustee choices, it is usually best to select named beneficiaries, family members, or long-time close friends. You should list at least choices for successor trustee in case your first choice is unavailable for some reason. If you choose to specify percentages, please be sure the total equals 100%. If you check the "equal share" box you do not need to fill in the percentages.
