ZONING INFORMATION

D - Downtown District

The Fort Collins Downtown District zone is intended to provide a concentration of retail, civic, employment and cultural uses in addition to complementary uses such as hotels, entertainment, and housing, located along the backdrop of the Poudre River Corridor. It is divided into nine subdistricts as depicted below. The development standards for the Downtown District are intended to encourage a mix of activity in the area while providing for high-quality development that maintains a sense of history, human scale, and pedestrian-oriented character.
