## ADDENDUM "A"

(To be included with Colorado Form Contract)

- 1) Section 10.2 of the Contract is hereby deleted in its entirety and replaced with the follows:

10.2 **Present Condition.** Except for Seller's warranties of title, Buyer expressly acknowledges that Buyer is purchasing the Property **AS IS, WHERE IS, IN ITS PRESENT CONDITION, WITH ALL FAULTS**, patent and latent, without any representations or warranties by Seller or Seller's agents. Prior to the **Inspection Objection Deadline**, Buyer will have carefully and thoroughly made, every investigation and inquiry Buyer deems necessary concerning all aspects of the Property which are or may be of concern to Buyer, including, but not limited to, the physical condition of the Property, Improvements, and all Inclusions thereon; the environmental condition of the Property including but not limited to the presence of mold, radon gas, lead-based paint, asbestos, petroleum products, hazardous waste, methamphetamine and/or byproducts from the production of methamphetamine; the location of the boundaries; the gross and net area within the Property; the nature of the soils; utility extensions and services; water well, if any, including but not limited to flow rate, capacity, depth, recovery rate, suitability for Buyer's needs, permitted or exempt status such as household or domestic, water quality, potability, location on Property; easements, rights-of-way, and encroachments, if any; access to the Property; zoning classification, subdivision regulations, environmental regulations, and building code requirements applicable to the Property; the suitability of the Property for Buyer's intended use; compliance or noncompliance with governmental rules and regulations, including, but not limited to, laws relating to land use, environmental conditions, health, safety or building conditions; septic system, if any, including but not limited to permits, the useful life of the system, capacity and suitability for size of house, pumping needs, location on Property; leach field, if any, including but not limited to adequacy, location on Property, percolation; public water and sewer service to the Property; the availability of dry utilities to the Property including but not limited to telephone, internet, cable television, electricity and gas; electromagnetic fields (proximity to power lines); termites or other infestations; exterior insulation and finish systems; polybutylene plumbing materials; roofing materials; inclusion within or proximity to a flood plain; proximity to a hazardous waste site; the presence and location on the Property of carbon monoxide alarms and smoke detectors; the availability and quality of schools; the impact of air traffic; the dues, fees, taxes or similar charges that are or may be assessed or levied by any applicable taxing authority or owners association; building permit fees; crime statistics (such as "Megan's Law" which provides that information concerning the location of known sex offenders be available from local law enforcement); the fair market value of the Property; and all other matters whether of a similar or dissimilar nature that Buyer deems to be relevant to Buyer's acquisition and use of the Property. Seller shall have no obligation to conduct any studies or investigations with respect to the Property; to furnish to Buyer an Environmental Audit, property inspection report, appraisal, survey, or Seller's Property Disclosure. Buyer acknowledges that neither Seller nor Seller's agents have made any representations or warranties whatsoever regarding the Property or any Improvements thereon or Inclusions. Buyer agrees that if Seller or any of Seller's agents

have provided any documents or reports or made any representations whatsoever regarding the Property, Buyer shall not rely on, directly or indirectly, any such documents, reports, or representations. Buyer shall rely solely on Buyer's own inspections and investigations. Buyer assumes all risk that any adverse matter, of whatever kind or nature, including, by example and not limitation, physical and environmental conditions of the Property, may not be revealed by Buyer's inspection and investigation of the Property. Buyer assumes all risk of patent and latent defects in the Property and all Improvements thereon and Inclusions.

By accepting a deed to the Property at Closing, Buyer shall be deemed to have waived, released, forever discharged and agreed not to sue Seller, its officers, commissioners, employees, agents and their respective heirs, personal representatives, successors and assigns from any and all claims, actions, suits and proceedings of whatever kind or nature arising out of, as a result of or in connection with the condition of the Property, Improvements thereon and Inclusions.

The provisions of this Addendum are a material part of the consideration for the Property. Seller would not sell the Property to Buyer at the price set forth in the Contract but for the terms, covenants, conditions, provisions and release contained in this Addendum.

**THE PROPERTY IS BEING SOLD AS IS, WHERE IS, IN ITS PRESENT CONDITION, WITH ALL FAULTS, PATENT AND LATENT, WITHOUT ANY REPRESENTATIONS OR WARRANTIES BY SELLER OR SELLER'S AGENTS.**
