Orchard Park: PROGRAM DESCRIPTIONS

Together Time: This is an interactive program for families with children ages birth to 6. Various learning centers, table activities, and toys are available to explore. Staff are available to provide information regarding your child's development, parenting information, community resources and more. Program staff will lead a circle time at the end.

Music Makers: This is an interactive program for families with children ages birth to 6. Families are invited to join this music circle and participate in new and familiar songs & rhymes.

Friends at Play: This is an interactive program for families with children ages birth to 6. This program gives children and caregivers a chance to explore the toys in the program room. Caregivers are encouraged to play with their child

Cognitive Toddlers: This is an interactive program for families with children ages 18 to 30 months. This program focuses on providing opportunities to learn through play and promotes cognitive, language and social development.

Gym Time: This is an interactive program for families with children ages birth to 6. The gym is set up with toys to promote gross motor development.

All About Me: This is an interactive program for families with children ages 2.6 to 4. This program focus' on teaching children about themselves, their family, home, culture, traditions, friends, pets and more!

Pre K Practice: This is an interactive program for families with children ages 2.6 to 4. This is a play based program developed to support children who are going into kindergarten.

Rainbow Fun: This is a interactive program for families with children ages birth to 6. Children and their caregivers will be encouraged to participate in gross motor games, songs and activities.

Ready, Set, Go Toddlers: This is a interactive program for families with children ages 18 to 30 months. Children will engage in a variety of hands-on, motor activities to help develop their small and large muscles.

Babies at Play: This is a interactive program for families with children ages birth to 18 months. Baby toys and sensory activities will be provided along with songs and finger plays to stimulate and enhance your baby's development.

Baby Music: This is an interactive program for families with children ages birth to 18 months. Families with babies will gather together and sing songs, learn rhymes and use a variety of props and materials.

Orchard Park: PROGRAM DESCRIPTIONS Continued....

Journey Toward Independence: This is an interactive program for families with children ages 2.5 to 4. This program involves the activities of everyday life and children observe these activities in the environment and gain life skills through the real experience in a purposeful way. These activities give the child a sense of belonging and contribute to the control and coordination of movement, development of concentration, and self-esteem.

Kids Club: This is an independent program for families with children ages 2.6 to 6. This is play based program for children who have caregivers in an EarlyON family support program, such as a parent workshop or baby music.

Orchard Park: ADULT SERVICES

Adult Services

Scarborough East EarlyON Child and Family Centre offers workshops and parent consultations by request. We look forward to hearing from families and caregivers to better determine the community's interest and concerns. We recommend submitting a request at least 4-6 weeks before the requested dates so we can schedule workshops that meet your needs. For more information, please contact: **Grace Tameta** at gtameta@esbgc.ca

Reading Partnership for Parents (RPP) : is a 10-week virtual* play-based program that guides parents through the process of teaching their children (ages 4 to 6) to read. It equips them with the skills, tools and confidence to improve their children's literacy levels by fostering positive reading and learning environments at home. Participating families receive over \$200 worth of learning tools and resources. *You will need a device that connects to the internet, as well as a microphone and camera to participate in the program.

Infant Massage: is a 5 week workshop where parents or caregivers will learn the best practices to massage their baby. (0-12 months) This workshop is facilitated by students from the Centennial College Massage Therapy Program under the direction of a Registered Massage Therapist (RMT)
