

COVID - 19 SUPPORT

We have registered and provided food supports for over 90 seniors in our community from Boys & Girls Club, Daily Bread Food Bank, and 5n2 Kitchen during the pandemic.

We have provided Uber Transport vouchers to seniors to access their emergency doctor's appointments or essential trips during the lockdown. We continue reaching out to seniors from the BGC community through our bi-weekly check-in calls to update them on resources, food support, service/tax/covid updates, and benefits for seniors.
