Orchard Park: PROGRAM DESCRIPTIONS

(Note: All are welcome to participate. No registration required.)

Together Time This is an interactive program for families with children ages birth to 6. Various learning centers, table activities, and toys are available to explore. Staff are available to provide information regarding your child's development, parenting information, community resources and more. Program staff will lead a circle time at the end.

Music Makers This is an interactive program for families with children ages birth to 6. Families are invited to join this music circle and participate in new and familiar songs & rhymes.

Friends at Play This is an interactive program for families with children ages birth to 6. This program gives children and caregivers a chance to explore the toys in the program room. Caregivers are encouraged to play with their child

Cognitive Toddlers This is an interactive program for families with children ages 18 to 30 months. This program focuses on providing opportunities to learn through play and promotes cognitive, language and social development.

Baby Music This is an interactive program for families with children ages birth to 18 months. Families with babies will gather together and sing songs, learn rhymes and use a variety of props and materials.

Gym Time This is an interactive program for families with children ages birth to 6. The gym is set up with toys to promote gross motor development.

Kids Club This is an independent program for families with children ages 2.6 to 6. This is play based program for children who have caregivers in an EarlyON family support program, such as a parent workshop or baby music.

Little Scientists: This is an interactive program for families with children ages 2.6 to 4. Families will engage in a range of experiments and activities that explore topics such as nature, life cycles, weather, magnets and more!

Babies at Play: This is a interactive program for families with children ages birth to 18 months. Baby toys and sensory activities will be provided along with songs and finger plays to stimulate and enhance your baby's development.

Rainbow Fun: This is a interactive program for families with children ages birth to 6. Children and their caregivers will be encouraged to participate in gross motor games, songs and activities.

PROGRAM DESCRIPTIONS Continued....

Alphabet Buddies: This is an interactive program for families with children ages birth to 6. Activities will focus on letter and sound recognition.

Play it Up: Is an interactive registered program for families with children ages 18 months to 2.5. This program is designed to support your child's language development and literacy skills. Children will engage in a variety of language activities to expand their vocabulary and verbal/non verbal language.

MARCH BREAK PROGRAMS

Pajama Day: Wear your favourite pajamas and stay cozy all day long! Join us during Together Time and bring a stuffed animal or doll to show and share during music circle.

Wacky Races: Join us for an action-packed program filled with running, catching, games and other activities that will help boost your child's confidence in movement. Don't forget to wear comfortable clothing!

Hawaiian Day: Aloha friends! Come dressed in your best Hawaiian attire and take part in tropical themed activities like tiki making and an ocean sensory bin. We've got the leis covered!

St Patrick's Day: Come dressed in green and help us celebrate St. Patrick's Day! Take part in crafts and a leprechaun scavenger hunt that will bring you good luck and magic throughout the year.

Orchard Park: ADULT SERVICES

Adult Services

Scarborough East EarlyON Child and Family Centre offers workshops and parent consultations by request. We look forward to hearing from families and caregivers to better determine the community's interest and concerns. We recommend submitting a request at least 4-6 weeks before the requested dates so we can schedule workshops that meet your needs. For more information, please contact **Grace Tameta** at gtameta@esbgc.ca

Infant Massage: is a five week workshop where parents or caregivers will learn the best practices to massage their baby (0-12 months). No prior experience required. This workshop is facilitated by students from the Centennial College Massage Therapy Programs under the direction of a Registered Massage Therapist (RMT). Pre registration is required.

Behavior and Positive Discipline Workshop: in this parents workshop, participants will learn how to strengthen their relationship with their child, the importance of daily routines and how to influence your child's behavior.
