

HIMS TESTING PROGRAM PROTOCOL

Accurate Testing LLC has been retained to manage the drug/alcohol testing program for the HIMS program. In addition to providing the testing we also manage the random selection process, scheduling of test, re-scheduling of test when a testing event is “excused”, reporting of results, and performing reviews of any non-negative results provided from the lab(s) we use. All these services are included in the testing fee. Testing notifications will be sent first thing in the morning of your test day via text and email to the cell phone and email provided below. The text and email will be “Random Testing”. If you are traveling, please respond with the zip code of your location. We will order the test and email an attachment with the “order for testing”. The order for testing will have the address of the testing location as well as a barcode. With this information the clinic will perform the test and there should be no fees charged to you, all fees will be paid to Accurate Testing LLC. If you are unavailable to test due a work schedule conflict please text back the details of that conflict, we will review those details and determine if the test will be excused and notify you. We require a credit card on file for all fees, please list your credit card information below or call us at 636-383-9798 with that information if you prefer. 10-panel + EtG \$110, EtG \$60, 10-panel \$60, PeTH \$125. All other testing, please call or email for pricing.
