

# THE PRO MOVERS' MOVING GUIDE

## ONE MONTH BEFORE

Pro Movers LLC

- ☐ Reserve your moving company - Contact Pro Movers LLC
- ☐ Clean out all storage areas - Closets, attics, crawlspaces, basements, sheds, storage units, etc.
- ☐ Purge unwanted stuff - Sort out all the stuff you can live without and host a garage sale!
- ☐ Change your official records - Children's school records, change of address form from
- ☐ Change non-official records - Magazines, online subscriptions, bank accounts, cell phone + insurance companies
- ☐ Make airline arrangements - If flying to your new home is necessary

## TWO WEEKS BEFORE

- ☐ Make a "survival closet" - All the things you want to pack in the end, cleaning supplies, snacks, changes of clothes
- ☐ Begin packing - Make sure to label your boxes including the room which its contents belong.
- ☐ Arrange utilities - Contact your gas, electric, water, internet, cable, and phone companies (arrange your new utilities)
- ☐ Cancel services - Such as lawn care, cleaning services, newspaper delivery, pest control, etc

## ONE WEEK BEFORE

- ☐ Finish packing - Anything that you can do without day-to-day should be in a box
- ☐ Begin deep cleaning - Clean each room thoroughly, scrub the baseboards and clean the walls.
- ☐ Begin repairs - Fix any problems that you agreed would be taken care of in your buyers home inspection.
- ☐ Create a moving plan - Figure out where your pets and children will be during the move.
- ☐ Arrange transportation - How will your vehicles, pets, and family members safely transported to your new home.

## THE DAY BEFORE

- ☐ Follow up with your moving company - Check in and make sure everything is taken care
- ☐ Protect fragile items - Ensure all fragile items have been properly padded.
- ☐ Finish deep cleaning - Go through the house and make sure there aren't any cleaning tasks that have been neglected.
- ☐ Refrigerator - Clean out all contents in your refrigerator and wipe down all surfaces inside and out.
- ☐ Withdraw some cash - You never know what emergencies you may run into during the move
- ☐ Say your goodbyes - Take some time to say goodbye to your friends and neighbors before the last minute.

## THE DAY OF THE MOVE

- ☐ Pack your personal bags - make sure you have everything you need to get by until you are able to unpack.
- ☐ Be present for your moving company - Make sure someone is home to let them in and answer any questions
- ☐ Create safe pathways - Stack boxes and prepare furniture, make sure there is a clear pathway to the moving truck.
- ☐ Load the truck(s) - Start moving into the trucks. Make sure to load heavy boxes first and bulky, awkward items in last.
- ☐ Final walkthrough - Once all of your belongings are in the truck, take a minute to do a final walkthrough of the house.
